

Michael Schillmeier

“Eventful Bodies: The Cosmopolitics of Illness”

Book Launch Party

Nibbles and wine

Thursday 27 November 2014 , 17:00 - 19:00

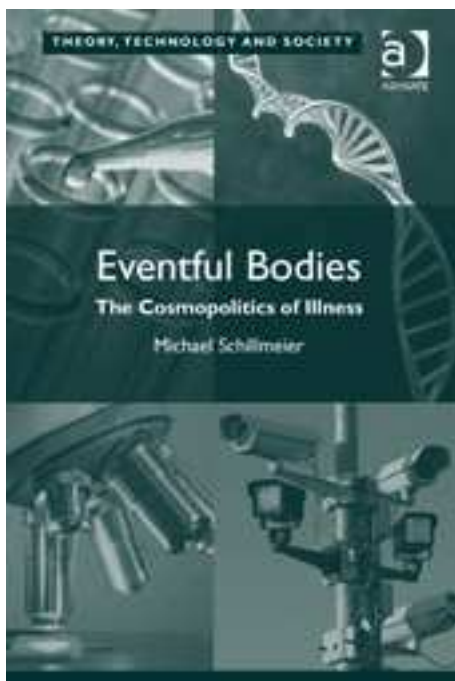

Byrne House, Streatham Campus

Speakers

Michael Hauskeller (SPA, University of Exeter)

Steve Hinchliffe (Geography, University of Exeter)

Steve D. Brown (University of Leicester)

‘Bodies may indeed be everywhere in contemporary social theory, but rarely are they articulated with such feeling and conceptual rigour as in this beautiful and insightful book. The cosmopolitical approach to bodies under challenge that Schillmeier develops here looks certain to set the agenda for social approaches to embodiment for some time to come.’

Steven D. Brown, University of Leicester, UK
